

VIPRA::Modules::Serializable

```
graph BT; DXF --> Serializable[VIPRA::Modules::Serializable]; Input[VIPRA::Input::JSON] --> Serializable;
```

The diagram illustrates a class hierarchy. At the top is a gray rectangular box labeled 'VIPRA::Modules::Serializable'. Below it are two white rectangular boxes: 'DXF' on the left and 'VIPRA::Input::JSON' on the right. Two blue arrows point from the top of the 'DXF' box and the top of the 'VIPRA::Input::JSON' box towards the bottom center of the 'VIPRA::Modules::Serializable' box, indicating inheritance.
