

`std::true_type`

```
graph BT; A[conjunction<...>] --> B[std::true_type]
```

A diagram showing a vertical relationship between two C++ type names. At the bottom is a dark gray rectangular box containing the text `conjunction<...>`. A blue arrow points upwards from the top center of this box to the bottom center of a white rectangular box above it. The white box contains the text `std::true_type`. The boxes have thin black borders.

`conjunction<...>`
